

Communication Committee Minutes
July 11 2018

Meeting called to order at 8:00 a.m.

In Attendance: Dave Bevers, Jane Lampman, James Curdy
Excused: Jan Hansen, Caroline Holmes, Don Tracy, Lace Powers

We looked at the website and have a few updates to make.
Going forward we will only send a pdf to update the contacts with so the website matches.

We discussed the meeting time and all agreed this was good for now.

The next summer Newsletter deadline is July 23rd.

Articles or ad will need to be submitted to Dave Bevers by July 23rd at 5pm.

James will include a fireworks recap. Fireworks remains were found in 2 locations near Columbia.
Dave will do a tech reminder about poisoned links, particularly on facebook.
County chipseal work on roads will be included.
Perhaps we should put the new Mattawa farmer's market info for our members on our facebook page.
We will ask the architectural committee to write an article including the most common infractions reported lately.
A leash law recap would be another good article.
Dump days will be 7/21(9-1) & 8/18(9-1)

James will send out an email to the usual article writers from an old email list for now.

Dave will send out an email to the usual advertisers.

Caroline is still in charge of the "getting to know" owners and employees articles for the newsletters.

Next Meeting: August 8, at 8:00 a.m.

Notes taken by James Curdy
